Gospel Concert gets Canada Day celebrations underway

An evening filled with awe-some talent and a message of faith got Elk Point's Canada Day celebrations underway on Sunday, as 35 performers presented the Canada Day Gospel Concert at Elk Point Elementary School.

Boxes at the door were overflowing with Food Bank donations as a good crowd contributed to this worthwhile cause.

Shaun Sheplawy served as master of ceremonies for the evening, and led the singing by audience and performers of O Canada.

One of numerous Elk Point Community Choir members to take part in the event was Mary Easthope, who started off the program with "I Am of Infinite Worth," accompanied by her mother, Canada Day Committee chairperson Deanna Easthope.

Also familiar to choir and choir dinner theatre fans are mom Dixie and daughters Kalli-Jo and Krymsen Coleman of St. Paul, who sang "How Great Shall Be Your Joy" followed by a soaring solo, "This I Know."

Another Choir member, Rita Bartholomew, followed with "This Circle Just Goes On" and was joined by her sister, Sue Bartholomew, for "One Day At A Time," both numbers accom-

panied by another sister, Gabe Bayduza.

St. Michael's Roman Catholic Church Kids' Choir,

Ryan Marceniuk, and directed by Michelle Friesen, sang three numbers, "Jesus Loves Me," "Whisper a Prayer" and "Let

light, as she offered a moving and powerful solo, "On My Knees."

Elk Point United Church and St. Michael's combined their adult choirs for the prayerful "Here I Am, Lord" and the whimsical "Circuit Riding Preacher," complete with choruses of several old favorite gospel tunes, Gabe Bayduza accompanying both adult and children's choirs on piano.

St. Paul pre-teen Chelsey Buryrn showed tremendous budding talent in her solo, "Lay Your Hands." That her talent is inherited was obvious in the next number, as she was joined by her mother, Barb Buryrn, and grandmother, Mabel Gottenbos, both Community Choir members, in "I Believe in the Sun."

After a brief intermission, concert-goers enjoyed more St. Paul talent, as a young gospel rock band, "Original" took the stage. "Original" features Shane Rebryna on keyboard and vocals, Curtis Isley on bass guitar and Michael and Jaron Parenteau on guitar and drums, and frequently performs at the Bethel Family Worship Centre. "St. Paul's fab four," as they were introduced by Sheplawy, did indeed give a "mighty big shew," starting off

Chamber getting set for big Canada Day pancake breakfast

The final Elk Point Chamber of Commerce meeting before their two-month summer break focused on summer activities, with Canada Day at the top of the list.

Plans for the Chamber's annual Pancake Breakfast are down to the final details, and coordinator Sherry Pelech is preparing to serve up to a thousand breakfasts this year. Chamber president Eugene Buck is looking forward to taking part for the first time, and commended Ms Pelech for her work over the years, which has helped to make the breakfast such an important part of Canada Day. This year's breakfast is across the street from the usual site, and will be located

in the Servus Credit Union parking lot. Volunteers are still needed to work throughout the breakfast, from 8 to 10 a.m., as well as on a set-up crew to start at 7 a.m. and a clean-up crew following the breakfast.

The Chamber is planning to have a parade float this year, and numerous ideas were put forward. President Buck will look at potential designs, while Glenn Harms will find a truck and driver to tow the float.

Another important date this summer is the visit of the Voyage Back to Batoche participants, who will camp overnight at Fort George and Buckingham House Interpretive Centre. The Town of Elk Point is sponsoring a

barbecue supper for the group.

One final upcoming event is the Circus, which comes to town Friday, September 1. Free tickets will be distributed to youngsters, probably during school registration and at the Elk Point Fair, as it was felt that the end of school was too early to do this. Adult tickets will be on sale at various member businesses in early August.

A number of new businesses are opening up, and Race Trac Gas recently held their grand opening. Roberta Bowen's Hair Ethics, Melinda Henderson's New Image Hair Design and Lorraine Ference's Heaven on Earth are all opening in the near future.

with "Forever," followed by an upbeat "Jesus is the Truth," and an audience-participation number, "Great Big City," which brought forth demands for an encore, "Fight of Faith."

Slowing down the tempo, Daleen Pinder of Elk Point took the stage for great country style renditions of "Whispering Hope" and "One Day at a Time," followed by Lindbergh's Debbie Lawrence with the lovely

"Hear the Voice of My Beloved" and "Come Angel Band."

Cold Lake's Diane Lirette displayed the training and incredible talent which has taken her to the stage of the Jubilee Auditorium, with "You Are Mine" and "Battle of Jericho."

They loved him as Tevye in "Fiddler on the Roof" and warmly welcomed him to the Gospel Concert stage, as Randall Krys sang a stirring a capella version of the beloved "Amazing Grace."

Choir member and valued member of Elk Point Baptist Church music team, Kerry Anderson presented "Search Me, O God" with voice and piano, and moved to the new perspective of the stage for a showy southern gospel number, "Count Your Blessings."

All performers were called forward for the finale in a darkened auditorium, each in turn lighting a candle from one held by their neighbor, as Sue Bartholomew sang "Go Light Your World."

Concert organizer Marguerite Friesen was very pleased with both the tremendous talent displayed in the concert, and the large turnout for this uplifting evening of sacred song.

Elk Point's July 1 celebrations already underway

By Deanna Easthope
FCSS Director

The year 2000 Canada Day celebrations in Elk Point began with the Gospel Concert last Sunday evening. A great concert! Thank you, Marguerite Friesen, for organizing this concert. Thank you everyone for participating, and thank you everyone for coming.

This coming Saturday, July 1, 2000 is Elk Point's Canada Day celebrations for the big day. We hope everyone will choose to come to Elk Point and help us celebrate.

From the many suggested possible themes for Celebrate Canada 2000, the Elk Point Canada Day Celebrations committee chose: "The International Year for the Culture of Peace." The year's themes, coordinated by UNESCO, focus on the respect of cultural diversity and the promotion of tolerance, solidarity, cooperation, dialogue and reconciliation. We felt we were a diversified community of several different cultures and we are

proud of our people in our community. Therefore, we chose the theme, "For a Culture of Peace."

Of interest, there are other themes we could have chosen with the fol-

lowing anniversary celebrations. They are: the 125th anniversary of the Supreme Court of Canada; the 30th anniversary of the Canadian flag; the 25th anniversary of

the adoption of the beaver as the official emblem of Canada; and the 20th anniversary of the adoption of "O Canada" as our national anthem and the 120th anniversary of the composition of "O Canada." So really, there are a lot of focus areas we all could be thinking of when we celebrate July 1, 2000 this Saturday.

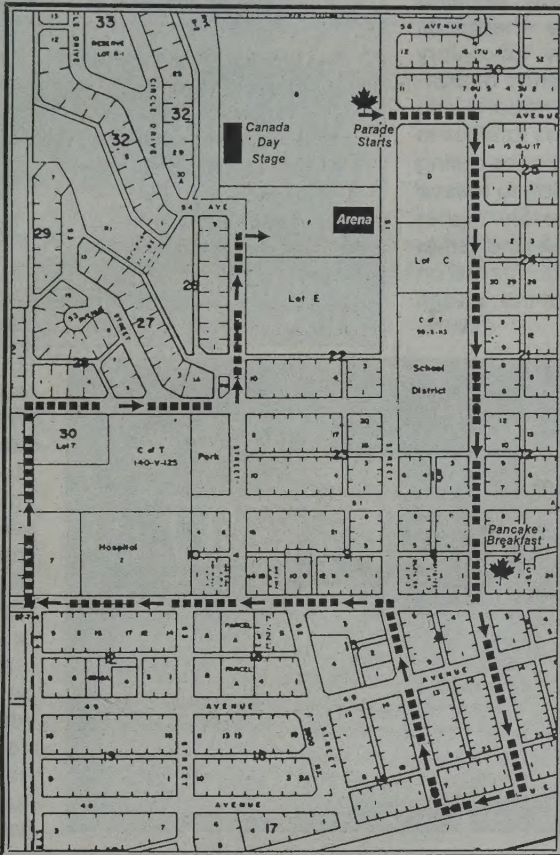

Did you happen to see the advertisement in the paper for all the happenings on July 1, 2000 in Elk Point? Anyway, it should be a really great day. Chamber of Commerce Pancake Breakfast - 8 to 10 a.m. in the Credit Union parking lot. The Chamber always does a great job with this - a big THANK YOU! Then at about 10:50, the kids' bicycle parade begins, to be followed by the main parade at about 11 a.m. Popcorn the Clown will be in the parade and in front of the arena afterwards.

After the parade, come and watch the "Soapbox Derby" on the street beside the arena. This is

the second year for this event coordinated by Dwayne Vogel. Interested? Call him at 724-4620.

Inside the arena will be a mini craft show as well as some food that may be purchased at the booth. Outside the arena on the Canada Day stage, beginning at 2 p.m., there will be family variety entertainment you wouldn't want to miss. Then, of

course, beside the stage, are the Christian Community Church's delicious pies and the Royal Purple's great big Canada Day cake to enjoy. In the evening, the Lions and Volunteer Fire Department will be sponsoring a beerfest and dance beginning at 9 p.m. Fireworks will follow at 11 p.m. A great day of celebrations for Canada. Happy Birthday, Canada!

Wash those fruits and veggies

By Linda Fox, RD
Elk Point Health Centre

Are you wondering how safe your cantaloupe is? And your strawberries, apples, lettuce, and so on, and so on... Last week in the United States, an outbreak of food-borne illness was traced to eating cantaloupe. How could that be? We don't usually associate food "poisoning" with fruits and veggies, do we?

The connection becomes clear, though, when one thinks of how cantaloupe is grown. In this case, the soil was fertilized with cattle manure, and the fruit grows on the ground. The mature fruit is picked and delivered to stores, probably with traces of "germ"-contaminated soil hiding in the rough skin of the fruit. The people affected may have sliced the fruit without adequately washing it, thereby spreading the organisms onto the cut surfaces. Eating these germs can cause illness, especially in vulnerable people such as the very young and the elderly.

Could this have been prevented? You betcha!

All fruits and vegetables should be washed under cold, running water. For rough skinned fruit or veggies, such as cantaloupe, use a vegetable brush to remove dirt from the surface. Ensure that all traces of dirt are removed from fruits and vegetables. For example, hold lettuce under cold, running water, separating the leaves from the stalk and rinsing away all dirt at the base. Fruits and vegetables grown on bushes and trees should be washed in the same way.

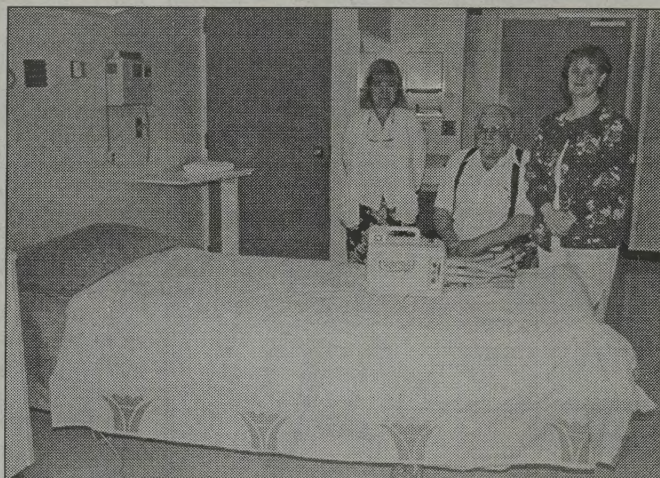

Don't stop here, though. Prevent cross-contamination. Keep dirty food in one area, then, once washed, set it in a clean area. Wash your hands, utensils and surfaces before, during and after food preparation. Sanitize clean countertops, cutting boards and utensils with a mild bleach and water solution. Use only properly cleaned cutting utensils.

With a little bit of know-how and such everyday weapons as soap and water, you can do a lot to reduce the risk of food-borne illness.

For more information, contact a registered dietitian or nutritionist.

Health Centre receives donations

ELK POINT HEALTH CENTRE recently received several helpful donations from local groups. At right, Melvin McGinnis, on behalf of the Hospital Auxiliary, presents an extra-large wheelchair for use in x-ray, laboratory and emergency departments, and a hide-a-bed which allows families to stay with loved ones during hospitalization to relieve separation anxiety. Agnes Moroziuk and Esther Moneta accepted on behalf of the Health Centre.

ELK POINT PALLIATIVE CARE, represented by Grace Kinjerski, the Hospital Auxiliary, represented by Melvin McGinnis, and Elk Point Health Centre, represented by Marguerite Friesen, show off the new "First Step" mattress for the palliative care room. This is an air-flow mattress used to reduce and treat the incidence of pressure ulcers while maximizing patient comfort. Elk Point Lions, Lioness, Elks and Royal Purple made this purchase possible. Thanks so much!

Farmers' markets and food regulations review underway

By Paul Langevin, MLA
Lac La Biche - St. Paul

Despite what you may have heard recently, the Government is not planning to impose stricter regulations on small producers selling to farmers markets or the home-based teas and suppers that are so important to communities and churches across Alberta. In

recent years, Farmers' Markets have changed considerably. There are a growing number of larger corporations distributing widely and solely through Farmers' Markets. Out of concern for food safety, it is important to ensure that Alberta's Food Regulations adequately regulate food prepared in those corporate environments. At this time, a review process is in

the early discussion stages. It will seek ways that we can address the safety issues respecting larger food outlets without placing undue restrictions on home-based businesses.

If you would like to contact me on this or any other issue, I can be reached at Box 1848, St. Paul, AB., T0A 3A0.

Badgers win Lakeland Soccer Division "D" gold

GOLD MEDAL BADGERS - With coach Donna Zapesocki are (back row, left to right) Warren Jurak, Ian Jurak, Jason Proski, Kelsey Slywka, Adam Carlson, J. B. Stanley; (front, left to right) Colby Cardinal, Royle Bristow, Tyson Bristow, Kent Boyko, Amy Ockerman, Meagan Derewynka.

Elk Point Badgers under-11A soccer team won the gold medals at the Lakeland Cup tournament on the June 17 and 18 weekend. Coach Donna Zapesocki provides the following run-down of the games:

Badgers 1 - Two Hills 1

In the Badgers' first game on Saturday, Two Hills was able to put their first and only goal in the net in the first two minutes of the game. Then goaltending and a terrific job done by the defense kept Two Hills from scoring for the rest of the

game. Mids and forwards were able to keep the ball in the offensive zone a lot of the time. Ian Jurak was able to make his first goal of the tournament late in the first half, tying the game. The game finished tied at 1-1.

Badgers 3 - Mannville 1

This was the toughest game of the three. Mannville had won their previous game against Elk Point's other U-11 team "B". Their #10 player was a terrific ball dribbler and could move very fast, scoring three quick goals on Team B. Team B came

back with one goal, losing 3-1 but worked very hard and kept the game under control. U-11 A defense had their work cut out for them. They had to work very hard to keep the ball out of the defensive zone. J.B. Stanley and Jason Proski at goaltending came up with many awesome saves. By the end of the first half, Elk Point was a head 2-0 thanks to great effort from the forward line and mids. Mannville scored 10 minutes into the second half, then late in the second half Elk Point scored again, finishing with a 3-1

win thanks to awesome work by all teammates.

Elk Point Badgers 5 - Elk Point Hornets 2

Both teams were evenly matched. The Hornets were missing their two top goalies, and by the end of the first half it was 4-0 for the Badgers. Then heavy pressure from the forward line of Hornets put two goals in in the first 15 minutes of the second half for a score of 4-2. The Badgers scored again late in the second half with a final score of 5-2. This win gave the Badgers their gold medals in Division "D."

Very busy weekend for Elk Point Minor Ball

By Doug Bassett
Review Sports

It was a busy weekend for all our ball teams with the Lakeland League windup tournaments being held. Let's see how they did, starting with the

ROOKIES - Elk Point was the host site for this year's Rookie tournament, held on Sunday with nine teams participating, two from Elk Point, two from St. Paul, two from Bonnyville, and three from Cold Lake. It was a great job by the organizers and the coaches, Gary Marceniuk and Lorn Berg, as well as all the parents who helped in the concession booth. Both of the Elk Point teams won both of their games, but all the kids on all the teams received the latest fad, engraved dog tags.

BANTAM BOYS were in St. Paul and down 9 to 3 after three innings, but came back to win their first game over Cold Lake in the bottom of the seventh. Travis Lindquist with some great base-running, scored the winning run. Tyrell Bintz with some excellent pitching in the second game against St. Paul, the boys losing a close one, then losing the B final to Pierceland. Jonathan Buryn with 1000 on base average, the best on the team for the two days.

MIDGET GIRLS coached by Dave Cousins were in Cold Lake on Sunday, winning the B final. Coming up on July 9 they will be in Irma playing in the provincial zone round robin tournament, the winner going to provincials down south in Didsbury.

BANTAM GIRLS coached by Donna Yaremkevich were in St. Paul where they lost their first game to Cold Lake, then defeated another Cold

Lake team and then lost the B final to St. Paul. Home runs for Danielle Gardiner and Brooklyn Blacklock, Dayna Yaremkevich pitching the last two games. Next weekend on the holiday Monday, the Bantam Girls are hosting, right here in Elk Point, the zone round robin tournament for the provincials. It's a holiday for most people, so come out to the ball park and support the girls. The winner of the tournament goes to the provincial finals in Marwayne.

PEEWEE GIRLS - Both of our Pee wee Girls teams were in St. Paul competing. The Pee wee 1 team, coached by Terry Hebblethwaite, lost the first game to St. Paul 1 then defeated Cold Lake then lost to Pierceland for the bronze. The Pee wee 2 team coached by Pam Ballas lost the first game to St. Paul 2 then lost to Pierceland and defeated Cold Lake in their

final game. Coach Pam Ballas would like to thank all the parents, with a special thanks to Terri and Mike Breen, Laurie and Richard Ference and especially her husband Randy for their assistance and support. The girls showed great dedication at practices and games and show lots of talent for years to come.

SQUIRT GIRLS - Wanda Cochrane's team traveled to Bonnyville on the weekend where they won two out of four games in a round robin. Here's another team with great tal-

ent and coaching that will start to show in the years to come.

MIDGET WHITE SOX - The White Sox did not fare very well at all in Edmonton in their first round of provincials, losing to Red Deer in their first game by two runs, after having a five run lead for most of the game.

Then in a crazy second game, against Edmonton, the man in blue got on a power trip and wouldn't even talk with the team coach or manager about a call at home plate, then

shortly after, gave a Sox player the boot, the Sox leading at this point by four runs and with out a replacement, they were forced to forfeit the game. This is the second time this year the Sox have had a player ejected and were unable to continue, and we've seen this happen at last year's provincial final when Beaverlodge lost the semi-

final game the same way. This is midget ball, and you should be able to discuss a call.

The third game on Sunday morning, it was the Sox errors that blew the game, not the big man in blue behind the plate. Next weekend the Sox travel to Wainwright for the second round of provincials.

Students' Union elects 2000-2001 executive

By Leanne Wilson
Student Journalist

Hello from F. G. Miller High School. Well, the Crusaders are entering the last couple of weeks of school, ready to battle those final exams. And as students prepare for finals, the Students' Union is preparing for next year. On Thursday, June 8, Students voted for their new 2000-2001 Students' Union executive, which is as follows: President - Carlen Mutch; Vice President - Joanne deMoissac; Secretary - Kali Cousins; Treasurer - Tanya Pankiw; Senior Social Convenor - Tyler Hebblethwaite; Senior Boys Sports Convenor - Ryan Hahn; Senior Girls Sports Convenor - Brandi Becker; Senior Publicity - Romy Rohner; Junior Vice President - Devon Culp; Junior Social Convenor - Brandi Yarmuch; Junior Boys Sports Convenor - Kurt Kozicky; Junior Girls

Sports Convenor - Brett Hahn; and Junior Publicity - Ashley Hebblethwaite.

In other news, the Grade Nine students traveled to St. Paul and Bonnyville to attend the P.A.R.T.Y. (Prevent Alcohol and Risk-Related Trauma in Youth) program. Presented across Canada, this program effectively presents the realities and consequences of irresponsible behavior. Students witness a simulated accident, talk to RCMP and health care professionals, and experience having a handicap as a consequence of an accident. This is the second consecutive year Grade Nine students have attended the P.A.R.T.Y. program.

From P.A.R.T.Y. to essays... congratulations to Kali Cousins who placed third in all of Canada for her Elks and OORP Drug Awareness and Safety essay.

Feature teachers MR. O'NEIL

This week, one of two feature teachers is Mr. O'Neil, our junior high Social Studies and options teacher. Mr. O'Neil began at F. G. Miller in September 1986 and has taught most levels of Social Studies and a wide variety of options including Agriculture, Media Literacy, and Alberta and Local History.

After graduating from Archbishop Jordan High School in Sherwood Park, Mr. O'Neil went on the University of Alberta to attain his teaching degree. In recent years, he has taken courses at the University of Lethbridge, Lethbridge College and Vermilion College.

After university, Mr. O'Neil taught Social

Studies and Industrial Arts at Mallaig for seven years. But besides teaching, he has had many other jobs including several assembly line jobs, installing gas pipe lines, forest fire fighting in BC and selling vacuum cleaners door to door.

One of Mr. O'Neil's interests is visiting and spending time with senior citizens. He says that soon after most of his own older relatives had passed away, he began to realize how much seniors have to offer from their knowledge and memories. As for the future, Mr. O'Neil would like to make a career move to another school with new challenges.

Mr. O'Neil has been involved in many extra-curricular activities including past yearbook

Louis Riel visits FGM

A historical figure came to life for F. G. Miller Junior High students as Louis Riel visited their classes last Wednesday morning.

LOUIS RIEL - or a reasonable facsimile, visited F. G. Miller last week.

Riel, portrayed by a St. Albert actor, declared "native blood in my heart and my soul" that Native Awareness Day morning, as teacher Mike O'Neil asked about his life in the Red River Colony and Canadian Northwest of 1800s.

Canada's most notorious Metis leader said his people were "the best of two cultures," French fur traders and native people. The native women provided food for the traders' arduous journeys, moccasins and clothing to protect them from harsh winters, and served as translators and advisors.

More than a hundred years before talks of a distinct society, "the greatness of the very proud Metis nation makes

our culture very distinct."

Riel credited the courage and influence of his father, also Louis Riel, with teaching him to fight for a cause. As a child, he saw a Metis man brought up on charges for trading outside of the monopoly, and his father fighting for the man's rights. "This is just a beginning," his father told him. "The Metis will fight for their rights, and one day you will be a great leader."

Riel's mother was deeply spiritual, and her influence and that of Red River's Bishop Taché sent him off to Quebec by Red River cart at age 14 to become a priest. He was in his seventh year of college when his father died and he felt God had abandoned him.

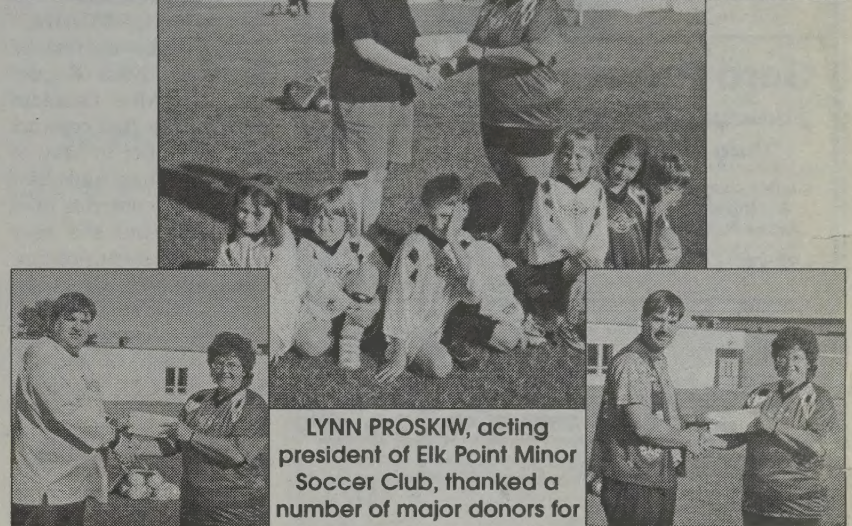

Riel left school and went to work in a law office. He became involved with a young lady, but her father stopped their engagement, calling Riel a savage. "Such hostility I could not understand." He left Montreal, and after two years in Minnesota, returned to Red River. Around that time, the Hudson's Bay Company sold the colony's land to Canada, without consulting the people. The Canadians wanted to re-survey the long, narrow river lots into squares, but "I put a stop to it. I told them they had no right to touch one grain of our soil." Riel drew up a bill of rights addressing the Metis grievances and "detained the hotheads so they would not hinder our progress." Thomas Scott, tried for treason against Riel's provisional government, was killed by drunken shooters, an event he called "most unfortunate. I tried to bring mercy to him but my hands were tied."

English speaking Canadians called him a murderer, "but they had no idea what was happening and didn't want to know."

When Red River became Manitoba in 1870, it was "urgently recommended

Soccer supporters

LYNN PROSKIW, acting president of Elk Point Minor Soccer Club, thanked a number of major donors for their support during the

Year 2000 soccer season. Among the donors were Elk Point Lioness Club, represented by Susan Frisby, (centre photo); JMB Crushing, represented by Eugene Buck (top left); Servus Credit Union, represented by Jerome Clavelle (top right); Union Pacific Resources, represented by Tony Paradossi (bottom left) and Elk Point and District Lions Club, represented by Loren Eleniak (bottom right). Not pictured is Canadian Salt Company, who also contributed to the Minor Soccer program.

Thanks for all the support provided by donors, coaches, parents and fans who helped Elk Point and district youngsters to enjoy the sportsmanship and fun of another great season.

Your help was very much appreciated.

Ray's day

FGM retirees honored by students

The F. G. Miller high school band played "Pomp and Circumstance" as Ray Hellquist was welcomed to the school June 16 Above the Limit celebration of achievement. Hellquist's achievements at F. G. Miller stretch back over the past 37 years as a teacher and staff member, and even further to his own high school days in Elk Point. He is now retiring and will travel with his wife of 37 years, enjoy his eight grandchildren and finally have time for favorite crafts and hobbies.

The school recognized his years on staff in a very special way, with an audiovisual presentation entitled "Hey, Ray! It's Your Day!" which harked all the way back to his childhood, his graduation as part of Elk Point's Class of '59 and the University of Alberta's Class of '62. His first teaching job was in Lindbergh, where he also was the principal before moving to F. G. Miller. Coaching boys'

volleyball and girls' softball, teaching hands-on science where "no experiment was too big or too small," and his recent years as a guidance counselor were all part of the show, with Hellquist, often sporting the handsome suspenders that have become his trademark, as the star.

Hellquist received gifts from Ted Cabaj on behalf of St. Paul Regional Education Division #1 and from Carlen Mutch on behalf of the FGM Students' Union.

Parting gifts also went to Ms Wasylik, Ms Werstiuk and Mrs. Bishop, who are also leaving the school staff.

Seven noteworthy students were also recognized with presentations by Mrs. Bintz: school news reporter Leanne Wilson, Crusader Clarion staff members John Sparks and Amanda Zapesocki, and art contest winners Amy Millar, Ashley Hebblethwaite, Courtinee Bintz and Melissa Dorey.

Mrs. Lindquist presented Crusader shirts to the three exchange students who attended F.G. Miller this year.

Elk Point's senior Ukrainian Dance Club group entertained the students with a joyful Transcarpathian dance before attention switched to the draws for 170 great prizes, which ranged from t-shirts, hats and gift certificates to mountain bikes, leather chairs and televisions. Major prize winners were junior high students April Paley, Michelle Zapesocki and Leanne Ference, while senior high winners were Jennifer Richard, Chad West and Donnabel Ginez. A last minute contribution from an anonymous donor saw juniors Valerie Friesen, Corbin Poitras and Kirsty Lindquist and seniors Jelayne Pankiw, Jennifer Richard and Christine Lowe take home cash prizes as well.

The afternoon ended with more music from Mr. Kryes and the school band.

In closing, Mr. O'Neil comments, "I have worked with huge number of terrific students and staff members."

MISS GERMAIN
 Our second feature teacher is Miss Raquel Germain. Miss Germain received her first contract at F. G. Miller in May of 1996 and has had four temporary contracts over the years. But she now has a permanent position here, teaching Language Arts 7 and 8, Math 7, Science 7, Junior High Art, English 13 and 23, Social 33, CTS, Financial Management, Legal Studies, and Health 9. Miss Germain has also had experience teaching at Glen Avon, Poundmakers School and substituting in various schools.

After graduating from

Glenon School, Miss Germain attended the University of Alberta. There, she took a generalist program with a focus in Educational Psychology. Miss Germain comments that all her university training came together and became very real during the twelve weeks of her practicum at Glen Avon School.

Miss Germain's hobbies include cycling, gardening, being with family, helping out friends, participating in the community, and the visual arts. She first became interested in visual arts when she attended a pottery course at the Visual Arts Centre to enhance her junior high art curriculum. As for her goals, Miss Germain has just met one by achieving a permanent teaching position which she is very excited about.

Well, that's all from the halls of F. G. Miller for this school year...

that I leave." Riel remained in exile in the USA for 15 years, at one point sneaking back across the border to be elected as a member of parliament by his people. He went to Ottawa, slipped into the parliament buildings and registered, took the oath of office and "escaped very quickly. They wanted to hang me. It was a lost opportunity for them to learn about the Metis."

On a mountaintop in Washington state, Riel had a vision where God appeared to him and told him he had a mission for the benefit of humanity. He married a Cree woman in Montana, had

two children and taught school. On June 4, 1884, a group of men led by Gabriel Dumont asked him to lead them in a fight for land rights in what is now Saskatchewan.

"I watched the fighting armed with my crucifix. God did not abandon us." The Metis battled at Fish Creek and Duck Lake, but Riel gave up when they lost at Batoche. "I decided to fight them with words." At his trial in Regina, even his cousin and the priests testified against him. "They betrayed me out of fear, but even Jesus was persecuted by his own people."

Riel, unrepentant,

went to the gallows seeing himself as "a prophet of a new world peace among all peoples."

Prophet or no, he left FGM's students vividly aware of the situation and atmosphere of the Metis rebellions which helped to shape our country's history.
